Something from the Pastor

I'm back!! I missed you all but I had an amazing time. While I still have a lot to process, I can tell you that I learned a lot. One thing – the Apostle Paul, even though he was middle to late aged on his mission trips, he had to be in great physical shape. I never walked so much and even when I lived in Colorado. I didn't climb as many mountains as I did on this trip. If you want to hear more-come to this month's Lunch and Learn on the 15th and see some of the amazing sites that Paul spread that Good News.

In Christ's Love,
Pastor Chrystal
